ʾenna l-monaafegeena fe d-darke l-ʾasfale mena n-naare wa-lan tajeda lahom naṣeera

"Indeed the Monaafegeen will be in the lowest reach of the Fire, and you will never find any helper for them," 4:145

What is a Monaafeg?

The hadeeth tells us that it is a insincere and treacherous person, and from personal experience, this person also claims to be "Muslim" or follows "Islam"

Prominent examples of Monafegeen:

They have soft handshakes, though they are like ravenous wolves masquerading as sheep. Their insincerity can be known through their smirks and the way their speak. You can sense a form of sarcasm if you pay close attention.

wa-law nashaaʾo la-ʾaraynaakahom fa-la-ʿaraftahom be-seemaahom wa-la-taʿrefannahom fee laḥne l-gawle wa-llaaho yaʿlamo ʾaʿmaalakom

"If We wish, We will show them to *you* so that *you* recognize them by their mark. Yet *you* will recognize them by their tone of speech, and Allauh knows your deeds." 47:30

There's also a former drug user in Afghanistan called "Gholaam Sakhee" who has issues with his mental health. This individual has Monaafegeen handlers who make videos with him. Even if you don't understand Farsee, I want you watch the following video and look at the treatment he receives from both his handler and the locals. See if it fits in with what I've been saying.

4:145 of the Gor'aan tells us that the Monaafegeen will be in the lowest reach of the fire. The tafseer says that these people will be securely locked inside of iron coffins, and it will be sent down to extreme depths. The part of this verse which is overlooked is, "and you will never find any helper for them,".

There are "Helpers", i.e. those who will go into the abode of punishment to bring sinners out of it by the will of Allauh. Multiple ahadeeth mention sinners being pulled out, but what does this have to do with the Monaafegeen?

Yes, not only will they have no helpers, but the helpers are not CAPABLE of saving them. Not only will the Monaafegeen be in perpetual darkness, extreme agony, trapped in iron

coffins, and in a extremely tight space, but they will be so far down that it will be a major risk for the helpers to go down that level. So out of fear and caution, this will be avoided and the Monaafegeen will be trapped down there for all eternity

This will be prior to their sentencing:

yawma yagoolo l-monaafegoona wa-l-monaafegaato le-lladheena ʾaamanoo nẓoroonaa nagtabes men noorekom geela rjeʿoo waraaʾakom fa-ltamesoo nooran fa-ḍoreba baynahom be-sooren laho baabon baaṭenoho feehe r-raḥmato wa-ẓaaheroho men gebalehe l-ʿadhaab

"The day the Monafegeen, men and women, will say to those who "Aaman" (who were sincere and trustworthy), 'Please let up on us, that we may glean something from your light! 'They will be told: 'Go back and grope for light!' Then there will be set up between them a wall with a gate, with mercy on its interior and punishment toward its exterior." 57:13
